

Creating a Safe Work Environment During COVID-19

This is the first in a series of three webinars we will be hosting this summer.

In this webinar we address PPE availability, social distancing in agriculture and what you need to know NOW to operate within the guidelines.

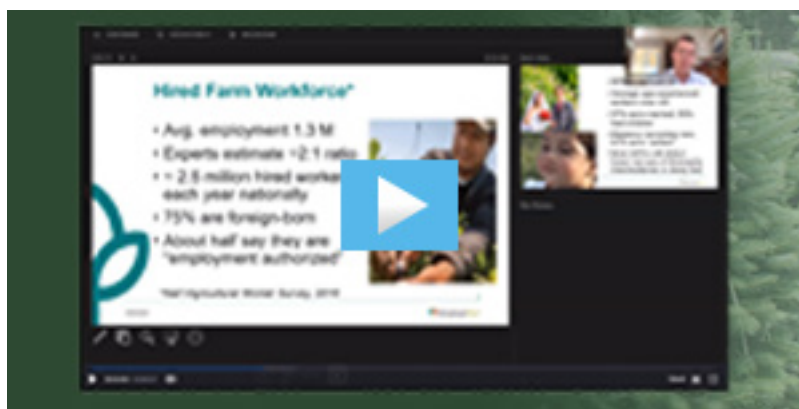

Presenters:

Michael Tesmer - Conney Safety Products

Craig Regelbrugge - National Christmas Tree Lobbyist and VP AmericanHort

Dominique Damian - Washington Farm Bureau

Rose Kachadoorian & Gilbert Uribe - Oregon Department of Agriculture
